## MEMORANDUM

To: Office of the Attorney General of Texas, Open Records Division

From: Amy Bass-Domel, Open Records, Williamson County Sheriff's Office

Date: May 8, 2019

Subject: Public Information Act Request

### **I. Introduction**

On April 26, 2019, the Williamson County Sheriff's Office received a written request for information from Mackenzie Farkus with MuckRock News. A copy of the request is attached as **Exhibit A**.

The Williamson County Sheriff's Office asserts that all of the responsive information to this request, which is attached as **Exhibit B**, is excepted from disclosure under the Public Information Act ("PIA"). The Williamson County Sheriff's Office invokes all the exceptions provided by, and exceptions incorporated into, sections 552.101 through 552.158 of the PIA, specifically, sections 552.101 and 552.108. Pursuant to section 552.301(a) of the PIA, this brief is submitted to seek a decision whether the exceptions apply.

Please note the Williamson County Sheriff's Office is relying on OR2016-21706 as a previous determination to withhold dates of birth of living individuals.

### **II. Information Excepted from Required Disclosure Under § 552.101**

Section 552.101 excepts "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."

Section 58.008 of the Family Code provides in pertinent part as follows:

(b) Except as provided by Subsection (d), law enforcement records concerning a child and information concerning a child that are stored by electronic means or otherwise from which a record could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult records;
- (2) if maintained electronically in the same computer system as adult records, accessible only under controls that are separate and distinct from the controls to access electronic data concerning adults; and

- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subsection (c) or Subchapter B, D, or E.

**Exhibit B** consists of a report on a criminal investigation conducted by the Williamson County Sheriff's Office. **Exhibit B** involves a juvenile suspect. The Williamson County Sheriff's Office asserts that **Exhibit B** is excepted from disclosure.

### **III. Information Excepted from Required Public Disclosure Under § 552.108**

Texas Gov't Code § 552.108 provides in pertinent part:

- (a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:
  - (1) release of the information would interfere with the detection, investigation or prosecution of crime;
- (b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from [required public disclosure] if:
  - (1) release of the internal record or notation would interfere with law enforcement or prosecution [.]

We note that a governmental body that claims an exception to disclosure under Section 552.108 must reasonably explain how and why this exception is applicable to the information that the governmental body seeks to withhold. Generally, an explanation that the information relates to a pending criminal investigation or prosecution establishes that release would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ's Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.--Houston [14<sup>th</sup> Dist.] 1975), writ *ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases); Open Records Decision No. 216 (1978).

**Exhibit B** consists of a report on a criminal investigation conducted by the Williamson County Sheriff's Office. As a result of the investigation, an arrest was made. That case is currently pending prosecution. Where an incident involving allegedly criminal conduct is under active investigation or prosecution, section 552.108 may be invoked by any proper custodian of information that relates to the incident. See Open Records Decision Nos. 474 (1987), 372 (1983); see *a/so* Open Records Decision No. 586 (1991). Release of **Exhibit B** would interfere with the pending prosecution of the criminal offense. The Williamson County Sheriff's Office asserts that **Exhibit B** is excepted from disclosure under Section 552.108(a)(1)(b)(1) of the PIA.

### **IV. Conclusion**

The Williamson County Sheriff's Office respectfully requests a decision from the Open Records Division of the Office of the Attorney General regarding the applicability of all the exceptions provided by, and the exceptions incorporated into, sections 552.101 and 552.108 of the Public Information Act.

Please do not hesitate to contact me if you have any questions or require additional information.

Sincerely,
